

Leather Jacket Love Song
The Crips

INTRO

D# Cm G# A#

D# Cm
10 years on and 2001 is long gone
D# Cm
So I didn t wanna write another leather jacket love song
G# A# D#
But you were a drug I couldn t hide from
G# A# D#
And I know, it s not the same for you

D#
In truth you re a saving grace
Cm
But you never knew what
D# Cm
If I was born at all, I knew I was always born to lose.
G# A# D#
But you were a drug I couldn t hide from
G# A# D#
And I hope, it s not the same for you

Gm Fm
In the dark of your city
A#7
I wonder if you ever call my name
G Cm
And in boxes and drawers, I ll hide our memories
Fm A#7
In case I need to live my life again

D# Cm
Of all the things I could ve been spending time on
D# Cm
I didn t wanna write another leather jacket love song
G# A# D#
But you were a drug I couldn t hide from
G# A# D#
And I hope it s not the same for you
