CHORDS

A **Ab**

How hard can it be

C#m

To get a slap on the back from a room full of morons? (continues like that)

So you hate my sunglasses?

Well your precious Leeds is dead

Just so long as you know

The clean and the green

Make up you re music scene

And shy away from the words

That they ve written for me

C#m (stop) C#m (stop) B (quick strumming)

Can t you see that

E **C#m**

Someones got their eye on you now

A

Don t you know?- (continue

And I don t want to be the one to let you know

La la la la can you hear me

I don t know

La la la la can you hear me

I don t think so

And that s the way the whole song goes basically..
