

**Mens Needs**  
**The Cribs**

This is basically based on the bass played in the song and works well acoustically.

have you noticed i ve never been impressed by your friends from new york and london

**E** **C#M**  
i ll level accusations like the press until you realise that you ve dressed yourself in tatters

**A**  
because a man s needs, man s needs

**E**

Verse - Same Chords - E & C#M

i m not bothered  
what you say or how you dress  
i m a mess so you ve always seemed inviting

the fact that man s needs  
man s needs  
are full of greed  
full of greed  
a man s needs
