The Cribs-What About Me

My first ever go on here so if the chords aren't lit up blue please correct me.
I played
on my fender thinline as an acoustic(y) track and it sounded well so i put it on
here.
comment.

Listen to track, but play this as you sing it. It Fits!
Class Song, Mint Band!

I Have always had, a real problem with getting down,

D **E D** **E**
But its alright ya know, I really dont mind it you know.

A **E** **A**
I know you ve been sleeping around, Your bed s full of idiots from town to
E
town

D **E D** **E**
But it s alright you know, I really don t mind that you know.

A **C#m** **D A**
Out of sight - It s not right, she said

D **E(Let It Ring)**
Leave town right now, say Oh oh oh oh

A **C#m** **D A**
Out of sight (Oooh) - It s not right, she said

D **E(Let It Ring)**
Come on, leave town right now, say Oh oh oh oh

A **E** **A**
And now, I m back to the plot I m sorry I got side-tracked there, I m bad
E
out of plan

D **E D** **E**
But it s alright you know, I really don t mind that you know

A **E** **A**
The words that they said sounded like, They were underwater, but I
E
understand

D **E D** **E**
But it s alright you know, I really don t mind that you know

A **C#m** **D A**
Out of sight - It s not right, she said

D **E(Let It Ring)**
Leave town right now, say Oh oh oh oh
