**You Were Always The One**
**The Cribs**

Sounds about right. I find it s great when just acoustic too.

VERSE ONE:
```
F#                          Bbm
I get the feeling they got you believing
     G#m7                   C#7
It s better to be loved than left out
                    F#
But it s like you told me
                 Bbm
It s nothing to do with acceptance
     G#m7        C#7
It s all about escaping
                            F#
Then you heard that there s always someone
Bbm
Forget the wrong one
G#m7            C#7
Disregard your past
                   F#                           Bbm
But she came with feelings too complex to be amusing
G#m7                       C#7
You re gonna get in trouble with that
G#m7                       C#7
You re gonna get in trouble with that
       B                   C#7
You re gonna struggle with that.
```

CHORUS:

```
     B           C#          F#maj7  Ebm
And I know I said I needed some time alone
     B           C#          F#maj7  Ebm
And I know I never seem to pick up the phone
   B             C#          F#maj7   Ebm
And though you will see me with someone else
G#m7            C#7
You were always the one
```

```
     B           C#          F#maj7 Ebm
And I know I said I needed some time alone
     B           C#          F#maj7  Ebm
And I know I never seem to pick up the phone
   B             C#          F#maj7   Ebm
And though you will see me with someone else
     G#m7                C#7
Yeah, you were always the one
```

```
VERSE TWO:
F#                            Bbm
I get the feeling they got you believing
      G#m7                       C#7
It s better to be loved than left out
                         F#
But yeah, like you told me
                Bbm
It s nothing to do with acceptance
      G#m7        C#7
It s all about escaping
F#                Bbm        G#m7              C#7
I setenced myself now a long long time ago
                     F#
And I hope to be free
                       Bbm
But I guess that you ve heard that before
   G#m7                   C#7
So you try and look surprised
       B             C#7
When you find out I lied.

CHORUS:
        B              C#        F#maj7   Ebm
And I know I said I needed some time alone
        B            C#          F#maj7   Ebm
And I know I never seem to pick up the phone
        B             C#          F#maj7    Ebm
And though you will see me with someone else
G#m7                  C#7
You were always the one

        B              C#        F#maj7   Ebm
And I know I said I needed some time alone
        B            C#          F#maj7    Ebm
And I know I never seem to pick up the phone
      B              C#          F#maj7    Ebm
And though you will see me with someone else
      G#m7                  C#7
Yeah, you were always the one.

G#m7 C#7

Don t steal this, credit me if you re going to use it.
