```

```
     ---------------          ----------------------

  D
Drag me back, Drag me back

Drag me back, Drag me back, Drag me back
                  F         C         D
Through the revolution without solution

  D
As the wall gets taller

As you get smaller

As we get smaller
       F         C         D
The fear is getting taller

                                (Junto com Riff 2)

                        D                              F       C
                  The big neon glitter pushes into you, oh baby
                   D                                   F       C
                  Sex from the hip at the crack of a whip, oh yeah
                     D
                  The wall gets taller
                                      F  C
                  While you get smaller
                                  D
                  Push against the big neon glitter
                              F    C
                  Pushes into you  ?? ???

  C/D
Drag me back, Drag me back

Drag me back, Drag me back, Drag me back
                  F         C         D
Through the revolution without solution

  D
As the wall gets taller

As you get smaller

As we get smaller
       F         C         D
The fear is getting taller
```

```
                          (Junto com Riff 2)

                    D                                     F       C
              The big neon glitter pushes into you, oh baby
               D                                        F         C
              Sex from the hip at the crack of a whip, oh yeah
                    D
              The wall gets taller
                              F  C
              While you get smaller
                          D
              Push against the big neon glitter
                        F    C
              Pushes into you  ?? ???
