One day that once
      C#add9
Spent out on me
   G#
And up til late

I search for you

Your measured step

C#add9   **G#**
If i could just once catch your eye
Fm7   **Eb**
Invisible against the words

That hold you down in solitude

And never let you go
        C#add9
The way that every time
G#
My eyes just close

Like lids of wooden men in file

I put you under rainy day

Your hat s all off
