So the fire is almost out and there s nothing left to burn
      D      F      C      G      D      F      C      G
i ve run right out of thoughts and i ve run right out of words

      D      F      C      G      D      F      C      G
and everything i promised, and everything i tried
      D      F      C      G      D      F      C      G
yeah everything i ever did i used to feed the fire

```

```

not even this...

```

```

      D      F      C      G      D      F      C      G
and the fire is almost dead and there s nothing left to burn
      D      F      C      G      D      F      C      G
i ve finished everything...
      D      F      C      G      D      F      C      G
and all the things i promised, and all the things i tried
      D      F      C      G      D      F      C      G
yeah all the things i ever dreamed i used to feed the fire
