A Strange Day The Cure

Bb C G#

Give me your eyes that I can see

Bb C G‡

The blind man kissing my hands

The sun is humming (Continua a mesma progressão)

My head turns to dust as he plays on his knees

As he plays on his knees

Refrão:

F# G#

And the sand and the sea glows I close my eyes

F# G#

Move slowly through drowning waves

Bb C

Going away on a strange day

(Mesma progressão da primeira estrofe)

And I laugh as I drift in the wind

Blind

Dancing on a beach of stone

Cherish the faces as they wait for the end

Sudden hush across the water

And we re here again

(Refrão)

' F#

My head falls back and the walls crashed in

G# Bb

And the sky and the impossible explodes

C C#

And for one moment I remember a song

Eb

An expression of sounds

F

And the everything is gone forever
