SYNTH PROGRESSION CHORDS: **C, C#, A#, G#, F, F#**

GUITAR PROGRESSION CHORDS: **Bm, G**

Bm

Scarred

Your back was turned

G

Curled like an embryo

Bm

Take another face

G

You will be kissed again

Bm

I was cold as I mouthed the words

G

And crawled across the mirror

Bm

I wait

Await the next breath

G

Your name

Like ice into my heart

Main Riff: **Bm, G** (x2)

Bm

A shallow grave

G

A monument to the ruined age

Bm

Ice in my eyes

G

And eyes like ice don t move

Bm

Screaming at the moon

G

Bm

Another past time

G

Your name

Like ice into my heart

Main Riff: **Bm, G** (x2)

Repeat the progression chord through the verse:

Everything as cold as life

Can no one save you?

Everything

As cold as silence

And you never say a word

Your name

Like ice into my heart (x2)
