

**From The Edge of The Deep Green Sea**  
**The Cure**

Intro: **E-D-E-D-E-D...** **Em D\* G Am** [D\* 2 0 0 2 3 0 (Dsus2/F#)]

**Em** **D\*** **G** **Am**  
every time we do this, I fall for her  
**Em** **D\*** **G** **Am**  
wave after wave after wave it s all for her  
**Em** **D\*** **G**  
i know this can t be wrong i say (and i ll lie to keep her happy)  
**Am** **Em** **D\***  
as long as i know that you know that today i belong  
**G Am**  
right here with you, right here with you...

and so we watch the sun come up from the edge of the deep green sea  
and she listens like her head s on fire,  
like she wants to believe in me  
so i try put your hands in the sky  
surrender  
remember  
we ll be here forever and we ll never say goodbye...

i ve never been so colourfully-see-through-head before  
i ve never been so wonderfully-me-you-want-some-more  
and all i want is to keep it like this  
you and me alone, a secret kiss  
and don t go home, don t go away  
don t let this end, please stay  
not just for today

never never never never never let me go she says  
hold me like this for a hundred thousand million days  
but suddenly she slows  
and looks down at my breaking face  
why do you cry? what did i say?  
but it s just rain i smile  
brushing my tears away...

**Bm** **C**  
i wish i could just stop  
**D** **Em**  
i know another moment will break my heart  
**Bm** **C**  
too many tears, too many times  
**D** **Em**  
too many years i ve cried over you

**E** **D**
