B E B E
Yesterday I got so old I felt like I could die

B E B E
Yesterday I got so old it made me want to cry

B E
Go on, go on, just walk away

B E
Go on, go on, your choice is made

B E
Go on, go on, and disappear

B E
Go on, go on, away from here

C#m F#
And I know I was wrong when I said it was true

C#m F# B E
That it couldn't be me and be her in between without you

B
Without you

B E B E
Yesterday I got so scared I shivered like a child

B E B E
Yesterday away from you it froze me deep inside

B E
Come back, come back, don't walk away

B E
Come back, come back, come back today

B E
Come back, come back, why can't you see

B E
Come back, come back, come back to me

C#m F#
And I know it was wrong when I said it was true

C#m F# B E
That it couldn't be me and be her in between without you

B
Without you
