

**Inbetween Days**  
**The Cure**

Intro: (this is basically a riff incorporated in a chord sequence;  
don't worry if it takes you a while to get it right, or just miss it out  
altogether).

**A Asus2 A Asus2 Dmaj7 Dmaj7sus2 Dsus2 D7**  
**A Asus2 A Asus2 Dmaj7 D5 D5 D7**

**A Dsus2**  
Yesterday I got so old  
**A Dsus2**  
I felt like I could die  
Yesterday I got so old  
It made me want to cry  
Go on go on  
Just walk away  
Your choice is made  
Go on go on  
And disappear  
Go on go on  
Away from here

**Bm**  
And I know I was wrong  
**E/B**  
When I said it was true  
**Bm**  
That it couldn't be me  
**E/B**  
and be her inbetween  
**A Asus2 A Asus2 Dmaj7 Dmaj7sus2 Dsus2**  
without you  
**A Asus2 A Asus2 Dmaj7 D5 D5**  
Without you

Yesterday I got so scared  
I shivered like a child  
Yesterday away from you  
It froze me deep inside  
Come back come back  
Don't walk away  
Come back come back  
Come back today  
Come back come back  
Why can't you see

Come back come back  
Come back to me

And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
Inbetween without you  
Without you

Enjoy!
