MAIN RIFF

The ever so cool lyrics are:

She walked out of her house
And looked around
At all the gardens that looked back at her house
(Like all the faces that quiz when you smile)

And he was standing at the corner
Where the road turned dark
A part of shiny wet
Like blood the rain fell black down on the street

And kissed his feet she fell Her head an inch away from heaven And her face pressed tight And all around the night sang out like cockatoos

And in her head A picture of a boy who left her loney in the rain (And all around the night sang out like cockatoos)
