Ebm	On candystripe legs spiderman comes,
B	Softly through the shadow of the evening sun.
Ebm	Stealing past the windows of the blissfully dead,
B	Looking for the victim shivering in bed.
Ebm	Searching out fear in the gathering gloom,
B	And suddenly! A movement in the corner of the room!
Ebm	And there is nothing I can do when I realise with fright
B	That the spiderman is having me for dinner tonight!

Ebm

Quietly he laughs, and shaking his head

B

Creeps closer now, closer to the foot of the bed,

Ebm

And softer than shadow and quicker than flies,

B

His arms are all around me and his tongue in my eyes...

Ebm

Be still, be calm, be quiet now, my precious boy,

B

Don t struggle like that, or I will only love you more,

Ebm

For it s much too late to get away or turn on the light;

B

The spiderman is having you for dinner tonight!

G#m

And I feel like I m being eaten

B

By a thousand million shivering furry holes,

G#m

And I know that in the morning

B

I will wake up in the shivering cold...

Ebm

And the spiderman is always hungry...
