

Pictures of You  
The Cure

**B**

**E**

i ve been looking so long at these pictures of you  
that i almost believe that they re real  
i ve been living so long with my pictures of you  
that i almost believe that the pictures are all i can feel

remembering you standing quiet in the rain  
as i ran to your heart to be near  
and we kissed as the sky fell in holding you close  
how i always held close in your fear

remembering you, running soft through the night  
you were bigger and brighter and wider than snow  
and screamed at the make-believe screamed at the sky  
and you finally found all your courage to let it all go

remembering you fallen into my arms, crying for the death of your heart  
you were stone white so delicate lost in the cold  
you were always so lost in the dark

remembering you how you used to be  
slow drowned you were angles so much more than everything  
oh hold for the last time then slip away quietly  
open my eyes but i never see anything

i wouldnt be breaking apart all my pictures of you

looking so long at these pictures of you  
but i never held onto your heart  
looking so long for the words to be true  
but always just breaking apart my pictures of you
