

Sinking The Cure

Em
I am slowing down
Em
As the years go by
Em
I am sinking

Am **C**
So I trick myself
Am **C**
Like everybody else

The secrets I hide
Twist me inside
They make me weaker

Am **C**
So I trick myself
Am **C**
Like everybody else
G **Em**
I crouch in fear and wait
G **Em**
I ll never feel again

D
If only I could
C
If only I could
D
If only I could
C
remember
Em
Anything at all
