Sinking The Cure

Em

Anything at all

```
\mathbf{Em}
I am slowing down
As the years go by
I am sinking
                        С
Am
  So I trick myself
                        C
Am
 Like everybody else
The secrets I hide
Twist me inside
They make me weaker
                        С
Am
  So I trick myself
Am
  Like everybody else
  I crouch in fear and wait
  I ll never feel again
   D
If only I could
If only I could
If only I could
  C
remember
```
