

**Sinking**  
**The Cure**

**Fm**

I am slowing down

**Fm**

As the years go by

**Fm**

I am sinking

**Bbm** **C#**

So I trick myself

**Bbm** **C#**

Like everybody else

The secrets I hide  
Twist me inside  
They make me weaker

**Bbm** **C#**

So I trick myself

**Bbm** **C#**

Like everybody else

**G#** **Fm**

I crouch in fear and wait

**G#** **Fm**

I ll never feel again

**Eb**

If only I could

**C#**

If only I could

**Eb**

If only I could

**C#**

remember

**Fm**

Anything at all
