

Sinking
The Cure

F#m

I am slowing down

F#m

As the years go by

F#m

I am sinking

Bm **D**

So I trick myself

Bm **D**

Like everybody else

The secrets I hide

Twist me inside

They make me weaker

Bm **D**

So I trick myself

Bm **D**

Like everybody else

A **F#m**

I crouch in fear and wait

A **F#m**

I ll never feel again

E

If only I could

D

If only I could

E

If only I could

D

remember

F#m

Anything at all
