

Six Different Ways
The Cure

C G/B Am (repeat)

C G/B Am

This is stranger than I thought
Six different ways inside my heart
And everyone I ll keep tonight
Six different ways go deep inside

Em F

I ll tell them anything at all
I know I ll give them more and more
They think I m on my hands and head
This time they re much too slow

C G/B Am

Six sides to every lie I say
It s that American voice again
It was never quite like this before
Not one of you is the same

This is stranger than I thought
Six different ways inside my heart
And everyone I ll keep tonight
Six different ways go deep inside
