

**Six Different Ways**  
**The Cure**

**C G/B Am** (repeat)

**C G/B Am**

This is stranger than I thought  
Six different ways inside my heart  
And everyone I ll keep tonight  
Six different ways go deep inside

**Em F**

I ll tell them anything at all  
I know I ll give them more and more  
They think I m on my hands and head  
This time they re much too slow

**C G/B Am**

Six sides to every lie I say  
It s that American voice again  
It was never quite like this before  
Not one of you is the same

This is stranger than I thought  
Six different ways inside my heart  
And everyone I ll keep tonight  
Six different ways go deep inside
