

**Six Different Ways
The Cure**

D A/B Bm (repeat)

D A/B Bm

This is stranger than I thought
Six different ways inside my heart
And everyone I ll keep tonight
Six different ways go deep inside

F#m G

I ll tell them anything at all
I know I ll give them more and more
They think I m on my hands and head
This time they re much too slow

D A/B Bm

Six sides to every lie I say
It s that American voice again
It was never quite like this before
Not one of you is the same

This is stranger than I thought
Six different ways inside my heart
And everyone I ll keep tonight
Six different ways go deep inside
