SOMEBODY ELSE - The Cure
=====

Em C Em C Em C Bm
Hello image sing me a line from your favourite song
Em C Em C
Twist and turned but attracted to the light
Em C Bm
To the directions no wrong

C Bm Em
You fall in love
G C Bm Em C Em C Em C Bm
With somebody else tonight

Help yourself tell me the words before you fade away
You remain all the secrets you remember the end
Of the state someday

You fall in love
With somebody else tonight

Take a step and move in time but it s always back
The reasons are clear your faces drawn and ready for
The next attack
