**The Cure**

[Intro] **Fm7   Bbm   C#   G#**
        **Bbm   C#   Fm   G#**
        **F#   Bbm   Fm   G#**
        **Fm7   Bbm   C#   G#**

**Fm7**                    **Bbm**                          **C#**                        **G#**
Nothing I am nothing I dream Nothing is new
**Fm7**                          **Bbm**
Nothing I think or believe in or say
**C#**                      **G#**
Nothing is true

  **Bbm**                            **C#**                         **Fm   G#**
It used to be so easy I never even tried
              **Bbm**                          **C# Fm G#**
Yeah, it used to be so easy

          **F#**                          **Bbm**                  **Fm**
    **G#**
But the last day of summer never felt so cold (so cold)
      **F#**                          **Bbm**              **Fm**              **G#**
The last day of summer never felt so old (so old)

( **Fm7   Bbm   C#   G#** )
( **Fm7   Bbm   C#   G#** )

**Fm7**                    **Bbm**                    **C#**              **G#**
All that I have all that I Hold  all that is wrong
**Fm7**                          **Bbm**                          **C#**
**G#**
All that I feel for or trust in or love all that is gone

  **Bbm**                            **C#**                         **Fm   G#**
It used to be so easy  I never even tried
              **Bbm**                          **C# Fm G#**
Yeah, it used to be so easy

          **F#**                          **Bbm**                  **Fm**
    **G#**
But the last day of summer never felt so cold (so cold)
      **F#**                          **Bbm**              **Fm**              **G#**
The last day of summer never felt so old (so old)
      **F#**                          **Bbm**              **Fm**
  **G#**
The last day of summer never felt so cold (so cold)
**F#**                    **Bbm Fm G#**
never felt so
