

The Real Snow White
The Cure

[Intro]

Em

You ve got what I want

[Verse 1]

Bm

You ve got what I want

Oh yeah!

It s only for the night

G

A

And I will give it back tomorrow I swear

Bm

She can barely breathe

Don t stare

I know the dress is tight

G

A

But it was all I had to wear

Bm

Give me what I need

Please share

You know it s only right

G

And I would never lie to you

A

I wouldn t dare

[Chorus]

D

A

Bm

A

I made a promise to myself

G

Em

I wouldn t start with anyone else but

D

A

Bm

You know how it is with these promises

A

G

Made in the heat of the moment

[Bridge]

Em

C

They re made to be broken in two

D **Em**

Sometimes the only thing to do

[Verse 2]

Oh no!

It s all coming back

C **D**

How I came to in a sticky three-day hole

Em

Didn t see the sign

Go slow

C **D**

Too busy tuning static on the radio

Em

She hissed it in a song

Don t go

It always fades to black

C

But that s why I love the trip

D

It s so inevitable

[Chorus]

G **D** **Em** **D**

I made a promise to myself

C **Am** **D**

I wouldn t start with anyone else but

G **D** **Em**

You know how it is with these promises

D **C**

Made in the heat of the moment

[Bridge]

Am **F**

They re made to be less than they seem

Em

Whenever you ve got what I need

[Verse 3]

And you ve got what I need

Aaaiieeee!

For service with a smile

C

I have to walk in on my hands

D

And roll for free

Em

You say it s all the same

Ennui

You re not the real snow white

C

D

The real snow white is on my knee

Em

I didn t need to get ID

It s simply minimum height

C

And getting all dressed up

D

In seven ways to please

[Chorus]

G **D** **Em** **D**

I made a promise to myself

C

Am

D

I wouldn t start with anyone else but

G

D

Em

You know how it is with these promises

D

C

Made in the heat of the moment

[Bridge]

Am

F

They re made to be broken one day

Em

If there s no time to get away

[Verse 4]

Uh-oh!

She wasn t made to shine

C

D

She was really only ever made to glow

Em

I left her in the dark

No show

Quiet sucking on a line

C **D**
It was a tricky gun to load

Em
And I didn't get to fire

Hi-ho!

She's off to work for time

C **D**
I should have finished out with higher

Up than low

[Chorus]

G **D** **Em** **D**
I made a promise to myself

C **Am** **D**
I wouldn't start with anyone else but

G **D** **Em**
You know how it is with these promises

D **C**
Made in the heat of the moment

Am **F**
They're made before right becomes wrong

Em
Whenever you've got what I want

[Outro]

And you've got what I want

Oh yeah!

It's only for the night

C **D**
And I will give it back tomorrow

Em
I swear
