

There is no if...
The Cure

Bm **A**
Remember the first time I told you I love you
E **E**
It was raining hard and you never heard
Bm **A**
You sneezed! And I had to say it over
E **E**
?I said I love you? I said? you didn't say a word
Bm **A**
just held your hands to my shining eyes
E **E**
and watched as the rain ran through your fingers
Bm **A** **E** **E**
held your hands to my shining eyes and smiled as you kissed me

G **Em**
?If you die? you said ?so do I? you said?
A **A**
and it starts the day you make the sign
G **Em** **A** **A**
?Tell me I'm forever yours and you're forever mine??
D **A**
?If you die? you said ?so do I? you said?
Bm **E**
And it starts the day you cross that line
D **A** **Bm** **E**
?Swear I will always be yours and you'll always be mine
A **A**
You'll always be mine?
G **G**
Always be mine??
