

There is no if...  
The Cure

**Cm** **Bb**  
Remember the first time I told you I love you  
**F** **F**  
It was raining hard and you never heard  
**Cm** **Bb**  
You sneezed! And I had to say it over  
**F** **F**  
?I said I love you? I said? you didn't say a word  
**Cm** **Bb**  
just held your hands to my shining eyes  
**F** **F**  
and watched as the rain ran through your fingers  
**Cm** **Bb** **F** **F**  
held your hands to my shining eyes and smiled as you kissed me

**G#** **Fm**  
?If you die? you said ?so do I? you said?  
**Bb** **Bb**  
and it starts the day you make the sign  
**G#** **Fm** **Bb** **Bb**  
?Tell me I'm forever yours and you're forever mine??  
**Eb** **Bb**  
?If you die? you said ?so do I? you said?  
**Cm** **F**  
And it starts the day you cross that line  
**Eb** **Bb** **Cm** **F**  
?Swear I will always be yours and you'll always be mine  
**Bb** **Bb**  
You'll always be mine?  
**G#** **G#**  
Always be mine??
