

There is no if...
The Cure

C#m **B**
Remember the first time I told you I love you
F# **F#**
It was raining hard and you never heard
C#m **B**
You sneezed! And I had to say it over
F# **F#**
?I said I love you? I said? you didn't say a word
C#m **B**
just held your hands to my shining eyes
F# **F#**
and watched as the rain ran through your fingers
C#m **B** **F#** **F#**
held your hands to my shining eyes and smiled as you kissed me

A **F#m**
?If you die? you said ?so do I? you said?
B **B**
and it starts the day you make the sign
A **F#m** **B** **B**
?Tell me I'm forever yours and you're forever mine??
E **B**
?If you die? you said ?so do I? you said?
C#m **F#**
And it starts the day you cross that line
E **B** **C#m** **F#**
?Swear I will always be yours and you'll always be mine
B **B**
You'll always be mine?
A **A**
Always be mine??
