

This Is A Lie
The Cure

Intro: **F#m A D F#m Bm A G# G#** (2x)

F#m

How each of us decides

A

I've never been sure

D

the part we play

F#m

the way we are

Bm

A

G#

how each of us denies any other way in the world

F#m

why each of us must choose

A

I've never understood

D

one special friend

F#m

one true love

Bm

A

G#

why each of us must lose everyone else in the world

Bm

however unsure

A

however unwise

D

F#m

day after day play out our lives

Bm

however confused

A

G#

pretending to know to the end

D

F#m

but this isn't truth this isn't right

A

F#m

Bm

F#m

this isn't love this isn't life this isn't real

C#7

this is a lie

how each of us believes

I've never really known

in heaven unseen and hell unknown

how each of us dreams to understand anything at all

why each of us decides
I've never been sure
the part we take
the way we are
why each of us denies every other way in the world

however unsure
however unwise
day after day play out our lives
however confused
pretending to know to the end

but this isn't truth this isn't right
this isn't love this isn't life this isn't real
this is a lie

this isn't truth this isn't right
this isn't love this isn't life this isn't real
this is a lie
