

Trust
The Cure

Bm D G D

There s no-one left in the world that I can hold onto
There is really no-one left at all, there is only you
And if you leave me now, you leave all that we were undone
There is really no-one left, you are the only one

F#m G D Bm

And still the hardest part for you to put your trust in me

F#m G D A

I love you more than I can say. Why won t you just believe?
