Want
The Cure

Easy song is easy

Tuning: Standard

Smiths riff for the entire song -

```
E|----6---6---6---6--------------------|
B|------7---7---7---7-7---7---9---9-----|
G|---------------------8---8---8---8---|
D|-------------------------------------|
A|-------------------------------------|
E|-------------------------------------|
```

Listen carefully and there is an acoustic guitar strumming these chords
throughout -

```
E|----6-------7----9-----|
B|----7-------7----9-----|
G|----8-------8----10----|
D|----8-------9----11----|
A|----6-------9----11----|
E|-----------7----9-----|
```

Perry plays something like -

```
E|-------14----------|
B|---14b------14b----|
G|-------------------|
D|-------------------|
A|-------------------|
E|-------------------|
```

About halfway through, there s a nice little keyboard line that s easy enough
To arrange for guitar -

```
E|---------6------9--------6-----------|
B|----7-9---9-7------7-9----9-7-------|
G|----------------------------8----|
D|----------------------------------|
A|----------------------------------|
E|----------------------------------|
```
