The Cure

You l[Dm]ook like you could do with a fr[Em]iend she said
You l[F]ook like you could use a ha[Am]nd
Someone to make you smile she said
Someone who can understand
Share your trouble, comfort you
Hold you close and I can do all of these
I think you need me here with you

You look like you do with a sister she said
You look like you need a girl to call your own...
Like fabulous! fabulous! Call me fabulous!
And rubbing her hands so slow
You stare at me all strange, she said, are you hungry for more?
I ve had enough I said, please leave me alone, please go

I[G]t doesn t touch me at a[E]ll, i[Dm]t doesn t touch me at a[F]ll

You know that you could do with a friend she said
You know that you could use a word
Like feel or follow or fuck she said
And laughing away as she turned
You ve everything but no-one like the last man on earth
And when I die, I said, I ll leave you it all
Door closes leaves me cold

It doesn t touch me at all, it doesn t touch me at all
