

**C#m7** **Bm7** **Dm7**  
 The world is neither fair nor unfair  
**C#m7** **Bm7** **Dm7**  
 The idea is just a way for us to understand

C#m7 Bm7 Dm7

No the world is neither fair nor unfair

C#m7\*

So some survive

Dm7

And others die

C#m7\*

Dm7

And you always want a reason why

C#m7

Bm7 Dm7

But the world is neither just nor unjust

C#m7

Bm7

Dm7

It s just us trying to feel that there s some sense in it

C#m7

Bm7 Dm7

No, the world is neither just nor unjust

C#m7\*

And though going young

Dm7

So much undone

C#m7\*

Dm7

Is a tragedy for everyone

C#m7

Bm7

Dm7

It doesn t mean there has to be a way of things

C#m7

Bm7

Dm7

No special sense that hidden hands are pulling strings

C#m7

Bm7

Dm7

But living on in others, in memories and dreams

C#m7\*

Is not enough

Dm7

And it never is

C#m7\*

Dm7

You always want so much more than this...

C#m7

Bm7

Dm7

An endless sense of soul and an eternity of love

C#m7

Bm7

Dm7

A sweet mother down below and a just father above

C#m7

Bm7

Dm7

For living on in others, in memories and dreams

C#m7\*

Is not enough

Dm7

You want everything

C#m7\*

Another world

Dm7

Where the birds always sing

C#m7\*

Another world

Dm7

Where the sun always shines

**C#m7\***

Another world

**Dm7**

Where nothing ever dies...

Essa música é bem simples de tocar. Fique atento ao acorde **C#m7**, que deve ser feito de maneira diferente no meio da música, e à batida, que também muda em alguns momentos. Fica bem legal tocar ela em um violão de 12 cordas.
