# Why Can't I Be You The Cure

### C#m A F#

You re so gorgeous I ll do anything I ll kiss you from your feet to where your head begins You re so perfect, you re so right as rain You make me make me hungry again

Everything you do is irresistible

Everything you do is simply kissable

## C#m A F#

Why can t I be you?

I ll run around in circles til I run out of breath I ll eat you all up or I ll just hug you to death You re so wonderful too good to be true You make me make me hungry for you

Everything you do is simply delicate Everything you do is quite angelicate Why can t I be you?

You turn my head when you turn around You turn the whole world upside down I m smitten I m bitten I m hooked I m cooked I m stuck like glue You make me make me hungry for you

Everything you do is simply dreamy Everything you do is quite delicious Why can t I be you? Why can t I be you? Why can t I be you?

You re simply elegant!!!
