G Am

Anything at all

Sm S# But you know I can t stop

G Am

It s life on the moon

Sm S# All this talk of giving up

G Am

Life is too short

 $$\operatorname{Sm}$$ $$\operatorname{S\#}$$ For it not to be true

 $\label{eq:Sm} Sm \qquad S\#$ Is for me to go my way...

(**G Am** Sm S#)

G Am Anything at all! Sm But you don t want me to change G Am Hard to understand S# Sm When a plan is this strange G Am And like is too big Sm S# Yeah it has to be true Am Oh the best idea I think S# Is for me to go my way... If all that you want Is how it could be G Em You may as well go now D G Am There s no wait and see... Sm S# (**G**Am <math>Sm S#)Αm Anything at all! Sm S# But don t ask me to fade

Sm S#
I can t ever play safe
G Am

G Am
You have to accept

Life is too real

Sm S#

For it not to be true

G Am

Oh the best idea I think

Sm S#

Is for me to go my way...

G Em

If all that you want

D G

Is how it could be

G En

You may as well go

D G

No there s no wait to see

G Em

It will always be wrong

D G

If all I won t give

G Em

Is all that you want

D

It s a strange way

G.

To live and let live

Em S#

When all that you do

G

Is measure me up

Em S‡

Falling shorter than you

G I

It s a strange way to love

Em S#

All this be as I want

G D

When I know that you know

Em S#

I can t fade change or stop

G Am

So anything at all

Sm S‡

But you know I won t choose

G Am

If all you could win

Sm S#

Is all I would lose

G Am

When life is too rare

Sm S#

Yeah it has to be true

G Am

The best idea I think

D Em

Is for me to go my way
