The verse is basically F# and A, you can figure it out if you just listen to the song.

Verse: **F#** and **A**

**F#** **A**  
be a man, kinda mystery man,

be a doll, be a baby doll,

it can't be found not any way,

it can't be found no way at all

a distant man can't sympathise,

he can't uphold his distant laws,

due to form on that today,

i got a feeling then i hear that call, i said

Chorus:

**D** **A**  
Neat neat neat, she can't afford no cannon,  
**D** **A**  
neat neat neat, she can't afford no gun at all,  
**D** **A**  
neat neat neat, she can't afford no cannon,  
**D** **A**  
neat neat neat, she ain't got no name to call

Verse 2:

**F#** **A**  
no crime if there aint no law,  
  
no cops left to mess you around,

no more dreams of mystery chords,  
no more sight to bring you down,  
i got a crazy, got a thought in my mind,  
my mind s on when she falls asleep,  
feelin fine in her restless time,  
then these words upon me creep,i said

(repeat chorus)
