A E D x4

D

Don t you ask me to come out
When the sun does shine
Let us stay here with curtains drawn
In darkness you ll be mine

A E

Let s wait for the blackout

D

The light is too bright

A E

Let s wait for the blackout

D

Wait for the night

D

Well welcome to my basement flat
No windows to see through
With darkness closing in my friend
We ll both know what to do

A E

Let s wait for the blackout

D

The light is too bright

A E

Let s wait for the blackout

D

Wait for the night

A E

Let s wait for the blackout

D

The light is too bright

A E

Let s wait for the blackout

D

Wait for the night

D

Come lay with me upon the earth

That keeps us both alive

No living thing has lasted here

Yet we shall both survive

A E

Let s wait for the blackout

D

The light is too bright

A E

Let s wait for the blackout

D

Wait for the night

D

D G

In darkness there is no sin

D G

Light only brings the fear

D G

Nothing to corrupt the eyes

D G

There is no vision here

D G

At first you may find it strange

D G

But do not go away

D G

The darkness holds a power

D G

That you won t find in the day

D G x4

D G

There is no vision here
