

**Tonight And Forever**  
**The Damnells**

if you want you can put a capo on the 4th fret and figure out the open chords.  
this made it easier for me to play and sing the song simultaneously.

**Ab Db**

Come to me, I'll be your wishing well  
With cigarettes to save you

**Ab Db**  
I'm a little lonely, can't you tell?  
Waiting on your rescue

**Ab Db**  
For all my dreams, all my schemes  
There was never anyone to stand next to

**Ab Db**  
So baby, have I got you?

**Bb D#**  
Running round in last place

**Bb D#**  
Trying to keep a steady pace

**Bb**  
What I got to give, I give up

**D#**  
Fools and thieves can keep on wishing good luck

**Db**  
I'm calling you to say

**D# F**  
That I'm gonna be anywhere you want

**D# Db**  
Tonight and forever

**Db**  
I'm coming home to take

**D# F**  
Take us both apart and put us back like one

**D# Db**  
And bleed together

**Db**  
I'm calling you to say

**D# F**  
That I'm gonna stay wrapped round your heart

**D# Db**  
Through time and weather

**Db**  
I never live

**Db**

I never die

**Ab**

Without you

**Ab**

**Db**

Come around sweet keeper, kiss and tell

So everyone can hear you

**Ab**

**Db**

Give me heaven with a bit of hell

To be the heavy heart true

**Ab**

**Db**

For all your tears, all my fears

We were all alone, hiding in the same room

**Ab**

**Db**

But baby, now I see you

**Bb**

**D#**

climbing back up the same wall

**Bb**

**D#**

waiting for a curtain call

**Bb**

What I got to give, I give up

**D#**

Fools and thieves can keep on wishing good luck

**Db**

I'm calling you to say

**D#**

**F**

That I'm gonna be anywhere you want

**D#**

**Db**

Tonight and forever

**Db**

I'm coming home to take

**D#**

**F**

Take us both apart and put us back like one

**D#**

**Db**

And bleed together

**Db**

I'm calling you to say

**D#**

**F**

That I'm gonna stay wrapped round your heart

**D#**

**Db**

Through time and weather

**Db**

I never live

**Db**

I never die

**F**

**D#**

**Db**

Without you

**F**

**D#**

**Db**

Without you

**Db**

I&#65533;m calling you to say

**D#**

**F**

That I&#65533;m gonna be anywhere you want

**D#**

**Db**

Tonight and forever

**Db**

I&#65533;m coming home to take

**D#**

**F**

Take us both apart and put us back like one

**D#**

**Db**

And bleed together

I&#65533;m calling you to say

**D#**

**F**

That I&#65533;m gonna stay wrapped round your heart

**D#**

**Db**

Through time and weather

**Db**

I&#65533;m calling you to say

**D#**

**F**

That I&#65533;m gonna be anywhere you want

**D#**

**Db**

Tonight and forever
