

Tonight Forever
The Damnells

Title: Tonight & Forever
Artist: The Damnells
Tabbed By: ChÃ³p (chipdelmal@gmail.com)

I ve seen people playing it with cappo but this version is played on open chords
in regular tunning.

Intro
A - Asus4

A
Come to me, Iâ€™ll be your wishing well 
D
With cigarettes to save you 
A
Iâ€™m a little lonely, canâ€™t you tell? 
D
Waiting on your rescue 

Bm **E**
For all my dreams, all my schemes 
Bm **E**
There was never anyone to stand next to
A - Asus4
 So baby, have I got you?
Bm **E**
 Running round in last place 
Bm **E**
Trying to keep a steady pace 
Bm **E**
What I got to give, I give up 
Bm **E**
Fools and thieves can keep on wishing good luck

D
  Iâ€™m calling you to say 
E **A**
That Iâ€™m gonna be anywhere you want
D
 Tonight and forever 
D
Iâ€™m coming home to take 
E
Take us both apart
A
put us back like one

D

 And bleed together 

D

Iâ€™m calling you to say

E 

A

That Iâ€™m gonna stay wrapped round your heart 

D

Through time and weather

Bm

 I never live

E

 I never die 

A

Without you  

A

Come around sweet keeper, kiss and tell 

D

So everyone can hear you 

A

Give me heaven with a bit of hell

D

 To be the heavy heart true 

Bm

E

For all your tears, all my fears 

Bm

E

We were all alone, hiding in the same room 

A-Asus4

But baby, now I see you 

Bm
