

**Everyone Is Totally Insane**  
**The Dandy Warhols**

From the album, Odditorium or Warlords of Mars

**Am D Am D**

**Am D Am D**  
Hear me out for I was joyful once like everyone

**Am D G C**  
Hear me out I must have changed some time and all at once Cause it

**Am D Am D D**  
Seems that nothing stays the same as such unless it s me

**Am D G**  
Yeah nothing stays the same but me

**Am C Am D Am**  
Well I have toiled and I have tamed constricted and constrained

**D G C Am**  
Just to learn about how everyone is the same

**C Am D Am**  
When I am old and I am lame act ruthlessly and strange

**D G C**  
Ask me then what I have gained from almost everyone

**Am D Am D Am D G C**  
oh ho oh ho oh ho oh ho

**Am D Am D**  
Hear me out for I had everything indeed

**Am D G**

Hear me out I must have changed

**Am**                    **C**                                    **Am**                    **D**                                    **Am**  
Well I have toiled and I have tamed constricted and constrained

**D**                                    **G**                                    **C**                                    **Am**  
Just to learn about how everyone is the same

**C**                                    **Am**                    **D**                                    **Am**  
When I am old and I am lame act ruthlessly and strange

**D**                                    **G**                                    **C**                                    **Am**  
Ask me then what I have gained from almost everyone

**Am**            **D**    **Am**            **D**    **Am**            **D**    **G**            **C**  
oh ho                    oh ho                    oh ho                    oh ho

**Am**            **D**    **Am**            **D**    **Am**            **D**    **G**            **C**  
oh ho                    oh ho                    oh ho                    oh ho

**Am**            **D**                                    **Am**                                    **D**  
Hear me out for I was joyful once like everyone

**Am**            **D**                                    **G**  
Hear me out I must have changed
