I love you, I love you, I love you, I love you

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

I only just met you before
But I can t understand that you don t want me more
You maybe think I m too smart and weird
But that should only make you want to hear

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

You make me feel really mature
But that should only make you feel secure
Although we ve only known each other for a bit already
I can t sleep at night and I feel like shit

let bass end on F#.
