Tuning: Normal

To start out this song, tap the A string a lot and then just jump in. This song is really hard to tab because of the heavy distortion so email me if I ve messed up.

Part A

Part B

A

You want for nothing

A

Thats what you decide

B

Always on always gone

A

Cause you all want nothing

A

Thats you inside

B

Always good always on

And you only want nothing

For yourselves

Always want the other side

You could be trying

Am G E

Its enough to always try thats a life for you

Any cause that you wanna do

What thats all fine
Except for anything that you do to me

And you want for nothing
You want for nothing
Cause you want for nothing
Nothing
