Since you called me

A [320013]
And said your weak and frail heart,
A7 **E**
So many times had belonged to someone
F#
That wasn t strong, yeah,
Bm **E** **A**
Well they re gone and you belong to me,
D **F#** **Bm**
Just stay here in my arms,
E **A**
Longer than it seems
D **F#** **Bm**
I travel to your door,
E **A**
Told me that you had a dream
D **F#** **Bm**
And we stayed the night, and never leave
