

Reach For The Sun
The Dangerous Summer

Tabbed by Jack Bristow

C G F
I wrote a song about war,
 C G F
The kind that lives in your head.
 C G F
I found a place I can sit,
 C F G
A place where everyday light hits.
 C
Like the palm of your hand
 G F
when you re reaching for something
 C G F
That s balled up in the sky.
 C G F
That s the way I like to see myself;
 C F G
Reaching for just one star at a time.

I heard what was a song inside the earth.

I put my ear to the ground and I sang with every word.

1--1--1--1--1--1--1--	Repeat this for the first chorus
-1--1--1--1--1--1--1-	Listen to song for rhythm

C G F
See, I got lost in the sound.
 C G F
It was the moment I felt sick,
 C G F
Just when I needed it most.
 C F G
There is not much to explain,
 C G F
Except I found myself blinded by every bit of light.
 C G F
I felt so safe inside the sight of the sun.

C G F
I really think I m home now,
C F G
I really think that.

F G Am
I heard what was a song inside the earth.
F G C
I put my ear to the ground and I sang with every word.
F G
I felt a wave so strong, I fell right in it.
Am
It hit so hard and it took my spirit.
F G C
Know that I belong to you until I die.

I remember giving this a try...

F C Am G
I screamed so loud, cause that s exactly how I felt.
F C Am G
It broke me out, and I gave up all my plans.
F C Am G F
I set them down, cause I really need to see the sun again.
G
Don t worry, cause I ll be fine.

F G Am
