

Take Five

The Dave Brubeck Quartet

Cb is equivalent to B, but is the correct name for the key this is written in.

[Verse]

Bbm **Ebm**
won t you stop and take
 Bbm **Ebm**
A little time out with me
Bbm **Ebm**
Just take five
Bbm **Ebm**
Just take five
Bbm **Ebm**
Stop your busy day
 Bbm **Ebm**
And take the time out to see
 Bbm **Ebm** **Bbm** **Ebm**
if I m alive

[Chorus]

Bbm **Cbma j7**
Though I m going out of my way
Abm7 **Bbm7**
Just so I can pass by each day
Ebm7 **Abm7**
Not a single word do we say
Db7 **Gbma j7**
It s a pantomime and not a play
Gbma j7 **Cbma j7**
Still I know our eyes often meet
Abm7 **Bbm7**
I feel tingles down to my feet
Ebm7 **Abm7**
When you smile that s much too discreet
Db7 **Bb7**
Sends me on my way

[Verse]

Bb7 **Ebm**
Wouldn t it be better
 Bbm **Ebm**
Not to be so polite

Bbm **Ebm Bbm Ebm**

You could offer a light

Bbm **Ebm**

Start a little conversation now

Bbm **Ebm** **Bbm** **Ebm**

It's alright, just take five

Bbm **Ebm**

Just take five
