

**Here Comes Summer**  
**The Dave Clark Five**

I saw other people posted the chords already, but both in the wrong key and they didn't include the key changes which make the song so exciting to the listener.

**G** **C** **D7**  
Here comes summer, school is out, oh happy days,  
**G** **C** **D7**  
Here comes summer, gonna grab my girl and run away  
**G** **C** **D7**  
If she's willing, we'll go steady right away,  
**G** **C** **D7** **G**  
Oh let the sun shine bright on my happy summer home.

**G** **C** **D7**  
Here comes summer almost June, the sun is bright.  
**G** **C** **D7**  
Here comes summer, gonna see her every night.  
**G** **C** **D7**  
It's the greatest, lots more time to hold her tight.  
**G** **C** **D7** **G**  
Oh, let the sun shine bright on my happy summer home.

**C**  
School is not so bad, but the summer is better  
**G**  
It gives me more time to see my girl.  
**C**  
Walk through the park beneath the shiny moon,  
**A** **D7**  
Oh, when we kiss she makes my hair curl.

**D#7**  
**G#** **C#** **D#7**

Here comes summer, when we meet her eyes both shine.  
**G#** **C#** **D#7**  
It's the greatest, let's have summer all the time.
