I was born a broken-hearted boy, give or take an ounce

**G** **Gsus2** **G** **Gsus2** **G** **D7** **D7sus4**  
And the world wouldnt t give me a break waiting, ready to pounce

**G** **Gsus2** **G** **Gsus2** **G** **D7**  
I was born with a broken heart, with a broken heart, sure was broken

**G** **Gsus2** **G** **Gsus2** **G** **D7** **D7sus4**  
I was born with a broken heart, with a broken heart, sure was broken

**G**

Oooh in two

**G** **Gsus2** **G** **Gsus2** **G** **D7**  
If you re out wandering in the streets, knock on my window, it ll open

**G** **Gsus2** **G** **Gsus2** **G** **D7** **D7sus4**  
My bed is small, but so are we. Let love lay us low -- here s to hoping

**G** **Gsus2** **G** **Gsus2** **G** **D7**  
You were born with a broken heart, with a broken heart, sure was broken

**G** **Gsus2** **G** **Gsus2** **G** **D7** **D7sus4**  
You were born with a broken heart, with a broken heart, sure was broken

**G**

Oooh in two

CHORUS

**C** **D7**  
Sometimes we get so confused

**G**  
We get taken for a ride

**C**  
We get worked over

**C**  
Some of us come with new hearts

**D7**  
Most of us come with used hearts

**G** **C**  
Baby, why do you look so sad?

**G** **Gsus2** **G** **Gsus2** **G** **D7**  
There are men who will stand accused, but they won't be told the why

**G** **Gsus2** **G** **Gsus2** **G** **D7** **D7sus4**  
They were strong so were beaten down, but the sun look gold through blackened eyes

**G** **Gsus2** **G** **Gsus2** **G** **D7**  
They were born with a broken heart, with a broken heart, sure was broken

**G** **Gsus2** **G** **Gsus2** **G** **D7** **D7sus4**  
They were born with a broken heart, with a broken heart, sure was broken

**G**  
Ooh in two
