Jellyfish Heaven by the Dead Milkmen

Transcribed by Jeff Blank (jfblank@mtu.edu)

OK, here s something for ALL those who ve been asking for Milkmen tab.
This isn t perfect, and I m not too good at tabbing solos, but here s what
I have for the rest of the song...should be a good starting point. But
before I get into it...would someone puh-LEEEEEEZE tab Surfin Cow ? I
just don t have the ear for some parts of it.

Fig. 1: the intro and verse:

--3---7--2--0-0--0--0-0-0---
--0---8--3--1-1--1--1-1-1---
--0---7--2--0-0--0--0-0-0---
--0---0--0--2-2--2--2-2-2---
--2-----3-3--3--3-3-3---
--3-----

Fig. 2: bridge:

D **G** (maybe **G5**?)
Jellyfish heaven, where jellyfish go
To get away from Mormons and drunk Eskimos

Am **C** **D**
Jellyfish heaven is a lot like L. A.

Solo? I dunno.

Then, after the solo (the Zep take-off and other ranting), the progression
changes to something like

G D G C C (same timing as fig. 1)

*

(not entirely positive of that one)

Instead of trying to build newer and		Jeff Blank

use out of the ones we already have.
