She stands there on the corner  
decked out in raspberry jeans  
waiting and watching and oh here he comes  
he pulls up beside here in a sporty machine  
rolls down his window  
and hands her a bag of plums

Plums? Eat them he tells here  
they make you feel great  
So she hops in the car he steps on the gas  
she says can t you drive faster  
it s getting late  
just a wee bit faster  
you re not going to fast

Freeway riding down the freeway  
cruisin they are really cruisin  
          **Bb C F A**  
when the plums take affect  
          **Bb C F A**  
the plums suddenly juice her mind  
          **Bb C D**  
she is no longer a nervous wreck  
**Bb C F A**  
now her nerves are blind she feels fine

Oh I feel great she says  
but he already knows it  
cause she s fingering his hair  
and biting his toe  
she s really plumbed out  
and in her eyes she shows it  
she says what s the hurry? Drive more slow

Moisture drips from her edible lips  
he looks into her eyes and he s  
quick to relize  
that he d better pull over  
before he gets to Dover  
cause if he really wants her  
now the time is wise

Freeway riding down the freeway  
cruisin they are really cruisin  
          **Bb C F A**  
when the plums take affect  
          **Bb C F A**  
the plums suddenly juice her mind  
          **Bb C D**  
she is no longer a nervous wreck  
**Bb C F A**  
now her nerves are blind she feels fine

She s plum dumb  
plum dumb  
plum it plum it plum it plum it plum it

**Dm**  
yeah!
